OIO COMMERCIAL KITCHEN, LIMA, OHIO

Project inception date: May-02

Project completion date: July-02

Construction cost: \$190,000

Construction type: Construction Management

Project Scope:

This project consisted of the design build of an entire commercial kitchen addition onto a fully occupied and operating surgery center. The new construction was adjacent to patient rooms, sterile store areas, and an operating room.

Project Accomplishments:

- The project was designed, built, and occupied with a very tight schedule.
- The facility was able to stay operational the entire time.
- Coordination of owner-supplied equipment was successful.
