TO WHOM IT MAY CONCERN:

Please consider this missive a positive recommendation for Touchstone, C.P.M. of Lima, Ohio. The Lima City School District has worked with Touchstone for the past several years on our O.S.F.C. project. We have been very pleased with our working relationship and feel fortunate to have them working with us.

Touchstone has exhibited a strong knowledge of the O.S.F.C. Construction Manual and of the numerous processes involved in our project. They have responded quickly to our questions and requests. Touchstone has been very conscientious concerning details of our project and brought with them a very professional and competent team.

I can truly say that our experience with Touchstone C.P.M. has been a very positive one. We are and have been extremely pleased with their work and handling of the project.

Please do not hesitate to call, if I can be of any additional assistance to you.

Sincerely,

A handwritten signature in black ink that reads 'Karel Oxley'.
