LIBERTY ELEMENTARY SCHOOL, LIMA, OHIO

Project contract date: May 2003

Project completion date: November 2004 (On schedule)

Construction cost: \$7,744,495 (On budget)

Construction type: Construction Management

Project scope:

This project is one of the Lima City School District building projects. The new school building was built on the site of the parking lot of the former Lima Senior High School.

The new 2-story, 59,486 square foot elementary facility houses grades K-4. This building is made of concrete masonry units forming the structural bearing walls & has a face brick exterior construction. The building features air conditioning, a kitchen, a cafetorium with a separate gymnasium, and state-of-the-art security and technology.
