To Whom It May Concern:

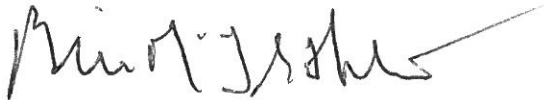

Please accept this letter as my professional and personal recommendation for Touchstone CPM, Lima, Ohio. It has been my pleasure to have been associated with Touchstone during the past two (2) years as I served as Superintendent of Schools at Indian Lake Local School District, Lewistown, Ohio. Touchstone CPM served as Owner's Representative on the construction of a 93,000 sq. ft. elementary school building.

Touchstone CPM provided invaluable expertise and counsel during the planning, bidding, construction, and post-construction phases of the project. At every turn Touchstone CPM personnel made themselves available to guide the district through the entire project.

Touchstone CPM exceeded the expectation of an Owner's Representative. The individuals that we dealt with worked extremely diligently at developing relationships based on mutual respect and a common sense of purpose between all members of the construction team.

It is without reservation that I recommend Touchstone CPM for your consideration as you move into the construction phase. If you have any questions, please do not hesitate to contact me.

Sincerely,

Bill McGlothlin Ph.D.
Superintendent
