Excellence in Education Since 1868

September 23, 2011

To whom it may concern:

It is without reservation that I write this letter of recommendation for Touchstone CPM. Over the duration of the Elida High School project, Touchstone CPM has exhibited positive, outstanding construction management services, including coordinating onsite issues, and the ability to lead the project team in design and construction.

Throughout the project, Touchstone CPM has demonstrated the highest degree of technical competence, timeliness with regard to schedules, and responsiveness to project issues. The staff has been very conscientious concerning the details of our project and brought with them a very professional and competent team.

We consider Touchstone CPM to be a preferred provider for construction management. They are a company that Elida Local School District would use again on future projects. Please do not hesitate to contact me if I can be of further assistance.

Respectfully,

A handwritten signature in black ink that reads "Don Diglia". The signature is written in a cursive, flowing style.

Don Diglia, Superintendent
