To whom it may concern:

Please consider this my letter of recommendation for Touchstone CPM as an outstanding construction management firm. A building project demands a great team. Touchstone CPM certainly advocates this and is a main player in the chemistry that needs to be developed.

As Superintendent of the Fairlawn Local School District, I have experienced Touchstone's associates spending countless hours guiding our District's new 97,600 sq. ft. Pre PK-12, building project. They have advised and supported our efforts beginning with the pre-construction planning and coordination, accuracy of estimates, bidding, construction, including management of contractors, and closeout.

With the help of Touchstone's leadership, we have built our project under budget and within the schedule developed. Should you have any questions, please feel free to contact me.

Very truly yours,
