NEW PREK-12 SCHOOL, VERSAILLES, OHIO

Construction start date: May 2008
Project completion date: May 2010
Construction cost: \$39,889,415
Construction type: Construction Management

Project scope:

Construction of a new pre- kindergarten through 12th grade school, approximately 220,000 SF. The new facility will be equipped with all the necessities to provide the highest education to its students. The new school will have the newest of classrooms, lab rooms, gymnasium, cafeteria, auditorium, technology space, locker rooms, and support spaces.

Additional Information:

This project is currently in the pre-construction phase. We will be working with ODOT and the Village to verify the appropriate traffic and safety measures, for the new site.
